“ My name is Melinda Wills and I've been Dads"Mr.Warrens" neighbor for 6yrs. I was blessed with the privilege and honor to be able to get to know Dad and to help take care of him at times when I was needed. I absolutely loved and adored him he was definitely one of a kind. I called him My Gentle Giant. He was so sweet and was such a humble soul. I don't remember not one time of me doing anything I mean the simplest thing for him that he didn't repeatedly thank me and tell me how much he appreciated it. As soon as I would walk in the door I'd say Good morning handsome and I'd kiss him on the forehead and tell him I loved him and he'd pat my arm and kiss my cheek and say and I love you too. I got so attached to him over the last few years because if you knew him then you knew that it was impossible not to just love him to pieces. I will be forever grateful for my time with him and my memories made with him. I'll miss being able to have our own little birthday celebrations together his being May 30th and mine being May 31st! Paw Paw give my little boy Trey lots and lots of love and hugs for me and JR and tell him how much we love him and miss him. I will love you forever and always smile when I think about the stories of you growing up in the North Carolina mountains and the stories you told me about you, your dear wife and children. My heart is breaking because you're gone but my spirit is rejoicing with you as you are with our Lord and savior Jesus Christ and you have been reunited with the love of your life your precious wife and children and loved ones gone before you. Thank you for loving me and for being My Paw Paw too!! I'm not good at goodbyes because they're just too final so with tears in my eyes and with a heavy heart I'll say until we meet again I love you and miss you so much. With lots of love and hugs and kisses, Melinda
