“ Mandy,. When Jackson & I were little & he they lived with "Big Mama", Reba he was one of my playmates. I remember when John Will found a honey hive & we were given a bowl of honey with a piece of the comb. We sat on the steps of the front porch and ate & ate honey. Got so sick....to this day I can't stand honey. I am so sorry for your loss. Please know you are in my prayers and thoughts.
