“ My Mom, Margaret and I were so sad to hear about Judy. She and David were very special to our entire family. I enjoyed playing basketball with her and she would give me rides home in her blue car. She was one of the friendliest people I have ever known and will be greatly missed by everyone who knew her. She and my brother Donald had a unique bond and I'm sure they are having a reunion and laughing in heaven. David, our prayers are with you and your family and we love you all.

“ There are no words to express how much I loved and will miss Judy and my sorrow to lose her. I met Judy in the 7th grade when we became best friends for life. We double dated through the teen years and married years, we waited through the birth of 4 babies (her 2 and my 2) before we finally took that trip to Hawaii we had dreamed about for a long time. Through the years that followed, when life got in the way, we would go for months without talking to each other but always picked up as if time had stood still. Judy loved her family and friends so much and she would make any sacrifice for any and all. She was a loving and beautiful person both inside and out.

David, Kellie and Kayla, I know the devastation you and the rest of the family feel and I pray we can find peace in her memory as the void of not having her with us will be great. I am so sorry I could not be with you today.

Love always!

Teresa

“ Judy was a classmate of mine, we graduated from HCHS in 1972. What I remember most about her was her beautiful smile. Absolutely beautiful. When I "picture" her in my memories, I see her wearing that stunning green velvet dress in the high school beauty revue, with her flaming red hair in ringlet curls. Such a beauty was she! So glad that I knew her, she really made a difference in this world. I am sad to know she has left us but feel assured that Judy is among the angels in heaven today. Our condolences to her family, everyone, especially to Pat and Bob, and to Phil and Pam. May God comfort and sustain you is our prayer. Love and hugs from Teresa (Bennett) and Mike Shirley, Bowersville.

“ Mrs. Judy was the sweetest and most friendly lady. I met her and her girls as we planned my wedding. She cooked for my family and had us come for a meal at her restaurant and made us feel welcome instantly. It was no choice we when we tasted her food! Friends still rave about her food from my wedding. She absolutely made every detail beautiful and I am so thankful for her passion for serving others, along with her two daughters. I know they will continue her legacy. I am praying for you all and am so very sorry for your loss.

“ We have known this dear family 25 plus years!!' We know this family feels so empty right now and will for some time. She was the light of their world and really anyone that ever met her. So kind! Loved Jesus. Loved people that loved Jesus!! She cared for everyone. If she thought you were hungry you were fed. Need a hug didn't have to ask. Celebrated weddings with us, funerals, births, birthdays. Always there to do whatever needed. Heaven is shining bright tonight just look up! Much love to all. Bill and Susan Langley

“ Judy lit up even the darkest of corners with her beautiful smile and had a knack for making everyone she met feel like family. I remember fondly the visits to Charleston, UGA tailgates, and just sitting around with the Bridges, Gosses, and Osleys laughing and sharing a great meal. She will be missed by so many and remembered with great affection. My love to all of you!

“ Stanley and I are so saddened by Judy's passing. She and your family have always been dearest friends to me and our family. It's difficult to mention the many meals we have enjoyed at Dale's and Elise's wedding receptions and class reunions. I will always treasure Judy's friendship. May you know that my prayers will be continued for David, Kelly, Kayla, and your entire family during this very difficult time. Much love from the Carey's.

“ Kala and Kellie, I can not begin to tell you how my heart broke when I heard of your mom's passing. She was such a joy to talk to and so much fun to be around. I know your hearts are breaking and you don't know which way to turn but she raised two great girls that will continue to carry on her spirit and love for others. Please know you are in my thoughts and prayers.
