“ A true gentleman a true competitor, both physically and intellectually and a true humanitarian ... the world is a better place because of Bob ... thank you, Bob "You done good!" representing your family, Company F-3, USMA, the U.S. Army, and the United States of America!

“ I was genuinely saddened when I heard of Bob's passing from my fellow classmates in Company F-3 at West Point. While he and I never crossed paths again after graduation, Bob was a quiet and unassuming influence in our small band of brothers while at the academy. He impressed me as a natural leader with great athletic and academic skills that obviously served him well in his own esteemed Army career. I am thankful that I knew him for the short time we shared and wish him God's peace!

To Bob from all my F-3 Classmates I paraphrase slightly from our Alma Mater: "May we say, "Well Done! Be thou at peace!"

“ I was deeply saddened to hear of Bob's passing. Bob was a true friend to me and to all that knew him. We were classmates at West Point and company mates in Company F-3. Bob was a born leader and always set high standards for everyone around him. He was extremely intelligent and an excellent athlete, excelling in a number of sports and athletic activities while at West Point. Bob went on to have an inspiring career and was a part of the Elite Delta Force. He always pursued challenges and strove to be the best that he could be, providing a shining example to others.

Everyone knew they could count on Bob for support and to get the job done. I am very proud to have had Bob as my friend, and he will be sorely missed by all. We are all better individuals for having known Bob Toomy.

May The Lord shelter Bob in His Love and Grace. Our prayers and condolences go out to Bob's family and loved ones during this difficult time. Be Thou At Peace My Friend.

“ I was also one of Bob's classmates and roommates at West Point in Company F-3. I enjoyed knowing him while there. He was involved in so many things it was amazing. A great roommate who gave a good buzz to keep you going. Our paths did not cross after graduation but from what I hear he continued to be the example to follow. Be thou at peace friend. “ I knew Robert (who I called Bob) back in the 1970s. We were in the same company (F-3) at West Point and we both went into the Army Corps of Engineers. After graduation in 1974, Bob, I, and 2 other recent grads from F-3 went on a little adventure during our graduation leave. We hopped a military flight to Germany. We spent a few weeks in Germany and Scandinavia and had a great time. Later that year, I attended Army Engineer training (Ft Belvoir, VA) and Ranger School (Ft

Benning, GA) with Bob. Then we went on our first assignments - Bob to Berlin and I to Korea. But Bob and I overlapped a few years later at Ft Bragg, NC, where he was inducted into the elite Delta Force.

He was a great guy - very smart, extremely athletic, and always enthusiastic, cheerful, and optimistic. It is hard to believe that it has been 40 years since I last saw him. I remember him well. He was one of those unforgettable people...

I was hoping to see Bob at our 45th class reunion next year. I was very saddened to learn of his death. Please accept my sincere condolences.

“ Bob Toomy and I knew each other from day 1 of beast barracks, got to know each other as company mates and roommates in F-3 and traveling together after graduation, and later as officers in the US Army. What a great friend, someone you could depend on, and a good man! Whatever the challenge Bob was there to meet it and encourage others to meet it too. I thank God to have known Bob. I pray today Bob is in a better place. RIP my old friend. May God be with Bob's family and friends, love on them, give them peace, and may we all celebrate Bob's life.

“ Bob was a good friend, West Point classmate, F-3 Company-mate, and roommate. He was the consummate quiet professional who served his country well. He always persevered and set the example for the rest of us. His death marks the passing of a fine man who epitomized the motto of our USMA Class of 1974 - “Pride of the Corps”. Our condolences go out to his family and friends. May he rest in peace.

“ Tom represented to me the best example of uprightness. He was generous, and had the perfect mix of kindness and firmness. A man of convictions. I will miss him.
