“ *Mr. Moon was in the Marines with my dad, and he was the first person to tell my dad about Jesus! I am so glad that he did! My dad passed away in 2004 and when we called Mr. Moon to tell him that he was in the hospital, Aaron and his family drove to St. Louis just to pray with us and turned around and drove home. I am so grateful for this man and his love for Jesus and his service to this country. The last time I spoke with him was Veteran's Day 2018 when I called to check on him. He didn't know who I was or what I was saying but it made me feel better just hearing his voice. My family is deeply saddened to hear about his passing. Love and Prayers from Crystal Hopgood Simonis and family.*
