“ I worked with Alan at Pharma-tech he was the nicest person anyone would ever want to work with. Very dedicated and proud grand father he had the grand babies pictures sitting all around his office. And I had the pleasure of meeting his wife who you could tell he loved whole heartedly. He will be missed. My thoughts and prayers go out to his beautiful family.

I was very blessed to have been one of Alan's 8th grade teachers. He was a brilliant student with outstanding character. I knew way back then that Alan would be a great man. He proved me right. He was a very good man indeed. It is with deep sadness that I type these words. I pray that God will provide comfort to all his precious family. Alan was loved by everyone and he will be missed by all of us left behind for the short term. Love Charles and Kathy Corbett December 26, 2016
