“ I never at any time heard Allene complain during her long time of suffering. Every time I asked how she was feeling, she always said, "I'm ok."

She is no longer bent over in pain, she is standing tall and rejoicing. I prayed that this would happen while she was alive. But God answers prayer in His time and He knew the plan He had for her. Through it all she kept her faith in God.

Doyt and I will miss you Allene, but we will continue to visit Etherage often.
