“ My thoughts and Prayers are with the family. Lots of memories growing up with Andrew. He was one of a kind.

Tori Looney Reed - January 12, 2021 at 09:23 PM

“ Andrew grew up with my girls; he, his siblings, and the cousins spent many summers at their grandmother's house, learning how to swim in the pool. The adults played cribbage on the porch, the kids learning by watching: soon to become players themselves.

“ One of my fondest memories of my cousin was when my father and I picked him and his mother up to try and see the Space Shuttle launch in Florida. We returned home, having more patience and love (for each other), after the Shuttle didn't launch.

“ We all love you man. You were one of the calmest people I've ever met. I always admired how nothing seemed to bother you. Thanks for always being kind and understanding. I wish nothing but the best for your family. Rest well.
