“ *My Aunt Sue had a beautiful soul and a smile that lights up the room. I loved her wonderful sense of humor. She never failed to make me feel loved and special. I never saw her when she didn't give me a big hug and an " I love you". I am so glad that I was able to get this picture several years ago. So blessed that I was able to see her last year at the Phillips reunion. God definitely gained a special angel. ❤️*
