“ Not many people can say they stayed friends after they've dated BUT WE DID. Big Daddy you taught me so much in the time I've known you and brought me many many laughs, you had such a beautiful soul and spirit as well as a beautiful family who never made me feel out of place. You brought so many laughs to so many people here on earth that I can only imagine the laughs you got going on up there in Heaven right now, I picture you cracking jokes right there going in those Golden Gates. But until we meet again, I'm gonna miss you so much!!! -Little Mama
