“ *Ashley, I'm at a loss for words. You were always one of the nicest humans in the world. I know as we got older we weren't around each other like we were when we were kids but when we got together it was like no time had passed. I'll miss your genuine smile that met your eyes and your laugh. I take comfort in knowing that you are in a better place and I will see you again someday. I love you and until then, rest in heaven sweet angel.*

“ Tulip it's still unbelievable and at times unbearable you were one of the few people who understood me and never judged me no matter what 20+ years of friendship never missing a beat I'm grateful for all the memories we made and will hold them close to my heart not being able to text or call you seems so unfair but God makes no mistakes but he got ya girl with this one for sure. My heart and prayers are with Chris and your sweet babies i know you're smiling down on them and will watch over them... Til I see you again rest easy my beautiful 🌷 tulip💙 You will never be forgotten 🙏🙏🙏
