“ Have known Ben and the Carey family for a life big time. Ben worked on our cars and was our direct tv man. I always asked for Ben because I trusted him. He was truly a good man. He will be missed so much. For the Carey family and Ben’s girlfriend, if there is anything I can do just let me know.

“ *I am so glad I was at Mom and Dad's house when Ben came by several weeks ago. We had a good time talking about the memories. When we heard the news we prayed it was not the Ben Carey we knew and were deeply saddened when we found it was our "Ben". I pray for God to give each of you the strength today, tomorrow and always for your loss. He will be missed. Love you Candace.* ”

“ We are so thankful Ben took the time to stop by and visit with us a couple of weeks ago and stayed for several hours. We thought the world of him and the Carey family including being neighbors for approximately 50 plus years. We watched him grow up and I hemmed his pants for school through out the years. We will miss seeing him driving around in that black shiny Corvair, which was he and his Dad's trademark. Our hearts go out to Carol, Becky, Candace and the rest of the family for this sudden loss. We were shocked and saddened when we heard about it. Thoughts and prayers with you all.

Love you,
