That has been years ago, but time cannot erase the impact your dad, mom, and you made on our lives. We will see her again one happy day! Love you!

“ Denorah I am so sorry to hear about your Mom. She was such a beautiful lady inside and out. She touched so many lives on her journey in life. I had the pleasure of knowing her when I worked for the County many years ago, and have so many fond memories. She loved all her family and talked about y'all often, especially Joel. She loved him as a son of her own instead of a son-in law. My thoughts and prayers are with you during the difficult days ahead.
