“ Betty was always so kind and always looked out for others. She loved her family so much as well as many others! She made a significant impact on my life in many ways. She would pray for me and all of my family members as well as hers. We shared many memories of laughter and tears and she was like a second mother to me. I Loved her and she loved me. Thank you Lord for placing her in her life. Her Legacy in life was the greatest gift to me and I pray God will wrap his loving arms around her family and comfort them during this difficult time! Thank you for loving me and I miss you so much, but I know you are so happy in heaven with a new body and mind surrounded by your loved ones gone before you and wouldn't come back to this world for nothing. I love you my Betty Boo and hope our paths will cross again in heaven.
