“ *My deepest condolences to the family. I truly hope the scripture at John 11:11, where the Bible likens death to a peaceful sleep, can provide some peace at this time.*

“ *I'm so sorry. I was thinking about Uncle Fred and yawl yesterday. Remembering when you lived there close to Carey's store and when he grew tobacco. I don't recognise cars much. Billy always had to tell me "hey there's Betty and Lawrence." When I have something on my mind I won't notice people. Betty got offended with me because of that. She was Polly s age.*
