“ You were the best Aunt to me all my life. I have so many memories of fun times we had when I was growing up and then when I became an adult, the friendship and closeness we had, riding together to all the ballgames and watching our boys playing ball. Thank you for everything you have ever done for me. I will cherish the moments we had during the last week and I was honored that you chose me to care for you once you knew it wouldn't be long before GOD called you home. I can only hope that you were proud of me! Give Mama a kiss for me and keep her company until I get there.
