“ *Christy, I was so shocked and saddened to hear about Billy! I still remember the two of you and think of you as you were, working in the labs at Noramco. It doesn't seem possible that it has been so long. You are both in my memories as intelligent and caring people, yet down-to-earth and "country".  
You and your family are in my prayers for comfort and peace.

“ *Christy and Family,  
My prayers are with you during this sad time.  
Billy was my lab partner many years ago at Noramco. What a amazing, smart, caring man!  
May God ease this sorrow for his family and help them understand that he is holding hands with our Father and will soon see them again.*
