“ Bobby,rest in peace.I have looked for you so many times but I finally found you in May this year.We shared many memories we had together in school and after we finished .They will be cherished forever.We shared our faith and I know you are rejoicing around the throne of our savior Jesus Christ.You now have a perfect body free from pain and suffering.We will meet again some day,meet me at the Eastern Gate.To your family,I know the pain you are experiencing now,but keep the faith and God will lead you through and turn the pain into fond memories soon.
