“ I have so many fond memories of Bonnie....she use to make the best french fries for Missy and me...didn't matter if it was 11:00 at night...she worked hard at putting up vegetables and fruits....she and Daddy would get peaches and apples and they were so good!! I remember one time going down to Lamar's with them for a few days when he lived near Augusta...they'd always find something to laugh about! I read where someone quoted her as saying "what about that"...I can hear her now saying that...Last time I talked with her was last July when I called her to tell her that Daddy had passed away. I guess they are having a big time in Heaven...maybe they are reminiscing...maybe they are waiting for us...I know she loved you all so much and I'm sure you are missing her. I'm sorry I couldn't be there with you for her service but I was out of town, however, you have all been in my thoughts and prayers.

“ Sorry for your loss. I have tons of sweet memories of this precious lady. One in particular she heard I was craving peaches when I was expecting my baby girl. & She brought me some of her peaches that she had put up for pies. Such a sweet hearted lady. I always luv'd it when she and Missy would come over for visits when we were kids. Seemed like it took forever for nite time to come around back then. Played & listened to the adults talk on the front porch. Those were the good ole days. Cherish your memories of your Mom and grandmother. God Bless
