“ *I have many memories of Bonnie. I was 14 when she was born. We lived in the same house for some of her early years. We used to pick on one another and she would seem to get the upper hand. Does that surprise anyone who knew her? I remember fondly how she got a prayer chain going for me when I was diagnosed with stomach cancer 9 years ago. I believe my survival was a result of those prayers. Rest in peace, dear niece. Love, Uncle Bill*

OMGosh! We were childhood friends. I was talking to her weekly. She didn't have things easy but made the best out of a bad situation and she loved her animals. I've been looking for her since we lost contact last year. Sadly, I stumbled upon this sad news. RIP my friend. Jana Wigal Blocker

“ Aunt Bonnie I'm so sorry that you are gone! In the end we weren't as close as we used to be. I dislike that so much. I know in your heart you know I loved you with everything in me and would have done whatever I had to! We were so much alike in so many ways it hurt us in the end!! I will do everything in me to help with Ma and your baby sister. Plus all the other family!! You will forever be in my heart and a piece of is broke. RIP till the day we meet again.. “ Bonnie will be deeply missed. We were best friends for over ten years. I remember all the times we would go fishing she would tell everyone that she only feeds them and Tracy catches them. Lol. We shared both the good and bad times together. We used to laugh so hard together until both of us had tears running down our faces. Rest in peace my bestie. I will always love you. I miss you so much already. Always Always, Tracy Snyder.

Both my son, Dereck Lorenz and I, Kathleen Long (Kat) will truly miss her. Dereck always called her his second mother. She's always been there for me when my world was shattering. We will always love and remember her.
