“ *Brendel was one of the sweetest and dearest people I know. She and I had offices next to each other in IDL for many years, and it was such fun to see that smile and to hear her laugh everyday. I am thinking of Jack and all of her family....she loved those grandchildren so much...so proud of them. We will miss Brendel.*

“ *I am so sorry for your loss. Brendel and I attended Athens Tech together in 1986 and kept in touch with each other from then on. Every time I saw Brendel she was always smiling which always lifted my spirits. I am so thankful Brendel and my paths crossed, as I know I am a better person having known her. Sending love and light through this difficult time.*

“ So sorry to read about Brenda's death. She and I graduated from HS together. She married Jack a distant cousin of mine. She was a very sweet person and fun to be around. She and I had a lot of fun riding around Royston together. I was an only child too. Jack was like a big brother. I introduced him to Brenda. We will be keeping Jack and all of the family in our prayers.

“ So sorry to hear this morning that Brendel had passed away. I worked in the building with her at The Georgia Center for many years, and I'm distantly related to Jack. Brendel loved her God, her husband, her children and her grandchildren. She was such a blessing to all who knew her.
