“ I am so grateful to have known Brian Dunn - as a dear friend and a good man - He was one of the most genuinely kind and thoughtful, artistic people I have ever met. I admired his courage and skill as a tree-cutter, and his artistic ability as a woodworker making beautiful bowls, but most of all, I appreciate his kindness and sensitivity to the best of human nature - I especially remember how he noted three flocks of geese flying over our yard in one day - I hope he is flying with his friends and family and other loved ones who have passed on to better days - with love.
