“ *I was saddened when I heard the news of Carol getting her angel wings. She and William were so special and I thought the world of them both. I was in the Senior Sunday School Class with them. She was a beautiful lady and I know she is a beautiful Angel. I use to see her at the nail place and William would wait so patiently. When we get back to some type of normalcy, I will definitely miss them in our class.*

My thoughts and prayers are with each of you. May God wrap his loving arms around each of you to give you peace, comfort and strength, today, tomorrow and always.
