“ I am one of the girls that was in the West Ave. Home. During my stay I Ms. Carol was one tough cookie, but she got down when she cooked. I remember when the home got shut down & I cried like a baby because I was so scared to leave & go out into the world because I thought I wouldn't make it alone but Ms. Carol gave me the tightest hugs & told me that everything will be ok & that I was going to do just fine. I hate that I didn't keep in contact with her & now she's gone. But at least she is gone to be with the Lord & his sweet son. I will miss you Ms. Carol. Thank you again for those home made biscuits.
