“ I loved having Carole as my first cousin! I spent so much time at her house when I was growing up! She was always such a funny entertainer and she would have done well being a comedian. She always brightened up my day and just made me laugh. But, the most important thing that I will remember about her is that she was a woman of great faith in God which gave her strength to endure all the adversity that came her way. She never gave up and continued to trust God all the way until He took her home. My prayers are with all of you. I pray that God Will strengthen and comfort you in the weeks and months ahead as you grieve her loss. The journey is hard but I know that God will see all of you through this time. Love you.
