“ You never realize the most special small things about someone until your made to sit down and reflect on them they way we have had to do over the last months. I'll never pretend we always saw eye to eye but what we did have very much in common is the fierce love for Lathaniel (scooby do) Micah (tadpole) and Tristan (rooster). It always was amazing to me how the moment you held the boys you gave them their nickname and you never stopped using it and they never failed to answer you!! Thank you for loving my sons in the only way you could. I am grateful to you and I know Micah will always have you as his guardian angel! ❤️
