“ My heart goes out to the Floyd family. Nancy is my cousin and Chuck and his family grew up in my community. We visited their family very often when I was growing up in the Ashland community. Nancy is my 1st cousin and I loved them both, they were a wonderful example of being a married couple. Always together, loving their family and friends. My brother Howell introduced them to each other, and they married and has lived as a loving couple for 61 years. They kinda reminded me of my parents who loved their family and friends and expressed it with kind words and love. May God bless the family and friends. I will miss seeing Chuck but we all will be together in a better place. Sending my love. Mary Davison Duvall
