I worked with Charles at Columbia nitrogen and remember well when he and some others went to Saudi Arabia. He was always a gentleman and I remember him as always being friendly to everyone. Thoughts and prayers with the family.

“ *My condolences go out to the whole family. I looked forward to work every night because “Pops” always had a story to tell me about his adventures in life and how much he loved Vivian and Terrie. He always had a smile, and always said thank you sweetie, every time I was his nurse. I will certainly miss our conversations every night Pops, but knowing you are well again sure helps. I will pull for Clemson next week just for you*❤️
