“ *Grandpa was a man of few words, but what he had to say was spot on and effective. He always found the good in folks that others overlooked. I believe his greatest gift was how he mentored just about every family member in some way. I can attest that He taught me how to hunt and shoot a shot gun, yes sir he had plenty of patience and I was grateful.*

Let's rejoice because He is in a better place now, with grandma again, so Let's remember his kindness and try to enjoy life as he did.
