Codie has a new body free of pain and sickness. He will be greatly missed but was loved unconditionally. I pray God will lift you up and ease your pain. You gave him your all and he understood. Just remember he's smiling the biggest smile with Jesus He will be waiting for you. As you go through the days ahead he will be right beside you and lives in your heart. So he never left you. He would want you to be at peace just as he is. I love you and thinking of you with all my heart. I don't have the miracle to make it better or go away. God has you and will give you strength and courage today.

OMG. I'm so sorry Hope. I don't have a phone and didn't know til I got on Billy's and looked up Main Street News. I can't even phantom the pain you are going through. I pray God will lead you through this difficult journey and give you peace and comfort. Codie has wings and fought a brave with you by his side. Sleepless nights and constant worry that only a mother knows. My thoughts and prayers are with you with all my love. Lord bless you and keep you in his care. Hugs.

“ I've come to know Codie over Facebook and this child is an angel 🙏 a perfect angel singing in Gods choir. That's how I have to let my heart deal with this just knowing he has a new friend God. And I can only imagine. True hero. 🙏

So sorry to hear about Codie. But we know he is a healthy angel, seeing all his relatives that passed on before him. May God bless all of his family and that to see him again, to take Jesus as their Savior. You all are in my thoughts and prayers
