“Great is the human who has not lost his childlike heart” – Mencius.

*My dear Great Aunt Carrie always brought a smile upon my face and love into my heart. As early as I can remember she always just wanted to share her love and happiness. Great Aunt Carrie was always the one who would play with my sister and I outside for hours while the rest of the family would visit. She would push me on the bike and she had the most sincere warm hugs that one has to give. My memories of her will always be of her smiling because I never seen her frown.*

“ Carrie added so much light & love to everyone's lives. She was always so warm and happy to see everyone and greeted them with a genuine smile. This Christmas is going to be so hard without seeing her at the Eve dinner & at our annual trip to The Nutcracker Ballet, but I'm hoping she'll be there in spirit :).
