“ *We are so, so sad to hear of Curtis' passing! I worked at Royston from 1989 to 1998. I convinced Curtis to move from QA to Manufacturing during that time. He was such a REAL PERSON.. He always saw things in a straight forward (but complete) way. He knew how to laugh AND MAKE OTHER PEOPLE LAUGH! He was a valuable friend and a talented manager. It is such a shame to lose him at such a young age! My heart goes out to all his family and friends! Jim Schofield*

“ Worked with Curtis for years. Pharma Tech was a great place to work when he was manager. I worked for years at that time with him. He was always willing to help folks out that needed help. Worked with him at Purina later on. Same Curtis, loved his family and racing. Can't believe you're are gone friend. Playing for those you held so dear to your heart, Melinda and Olivia. Posted a couple of fun pictures of Curtis from a PTI Christmas Party.

“ I am very sad to hear about Curtis. I was one of his 8th grade teachers back in the day. I have always thought a great deal of him. I first met him at age 13. Curtis was a 1st class man. He sure will be missed by all of us he left behind. Praying for all the family now and in the days ahead.
