“ I can't believe that you're gone Brother in law! I was truly blessed to have you as a Brother in law! Tonya is my first cousin but she and I have always been like sisters. My mama Rachel is her Aunt and well when she lost her sweet mama we adopted her as ours and she has been Sis ever since and David became My Brother in law. You know we all hear about that once in a lifetime love that as little girls we dream of or we read in the fairytale stories. Well David & Tonya had that kind of Love that old fashioned love where you "courted" and then got married at a young age and y'all were married for 60yrs that's the kind of love they had for each other and I never seen them upset with each other never heard them talk mean or disrespectful to each other they were always smiling and laughing and their laughter was contagious it seemed to have a way of making everyone happy regardless of the situation. David no matter what you done what you went through where you came from or what was being said about you he never once turned his back on you especially if you were his family and friend. He loved with his whole heart and family was everything to him. Tonya and the kids were his world was his reason why he worked as hard as he did. He was an amazing husband an awesome Daddy and Great provider hardworker and just a really great person who anyone who was blessed to have known him can tell you that he was truly a blessing to everyone he met. I'm so proud and blessed to have had you as my brother in law I'm so proud that you were my sisters husband and daddy to my nephews and my niece. You are truly going to be Missed!! Gone way too soon! Rest Easy Brother in law and just know that I love you and I will lookout for Tonya and the kids. Until we meet again we'll be missing you!!!

“ *David will be missed when we would run into each other at the store in Ila he'd would most of the time ask how I was or what you been up to lately. Back when we were growing our cousins were our friends and playmate that we got to hang out with. Things sure have changed since those days. I pray during this time of sadness that God keeps his arms of comfort around each and ever member of his family.*
