“ *It's been a long time since I saw Delmus. I remember the whole family attending church at Coldwater UMC. I am a little older than Delmus, but he, Lon and myself tended to hang out together. I think I had a crush on Dianne, but she didn't have a crush on me. Smart. I remember my Dad really liking George and they talked a lot after services. It's a shame that we let childhood friends get out of our circle. To his family, even though a long time has passed, I can still tell you that he will be missed. My condolences to all family and friends. I'd love to come to visitation, but have prior commitments.*
