Dennis Kinley was a joy to work with at EATON Supercharger. Loved to hear the stories he would tell, always made you laugh, just the way he told them. He was crazy about his Jennifer, always made sure to tell me how she was doing. Going to be missed by alot of people, but we know where he is, go rest high on that mountain, your work here is done.

“ Jennifer,
Such a beautiful Memorial Service today.
You and Dennis are much loved.

My prayer for you today is:

Isaiah 43:1-3 (NKJV)

1 But now, thus says the LORD, who created you, O Jacob, And He who formed you, O Israel: "Fear not, for I have redeemed you; I have called you by your name; You are Mine.

2 When you pass through the waters, I will be with you; And through the rivers, they shall not overflow you. When you walk through the fire, you shall not be burned, Nor shall the flame scorch you.

3 For I am the LORD your God, The Holy One of Israel, your Savior...

May God bless you with His presence and His comfort and peace both now and always.

“ *To my sweet cousin Jennifer, no words could express my sympathy for the loss of Dennis. it is said a life is measured not by its length but rather by its depth. I saw the love you had for one another and just remember that the love of Our Savior surpasses anything you can imagine or give in this world. I am sure Heaven rejoiced the moment he arrived to return everything God had given him. May God's perpetual light forever shine upon him.*

“ Dennis was a great friend and a person I looked up to, we worked at Eaton together for 25 years and have had a lot of laughs together. I always enjoyed hearing some of the funny stories he would always tell, that would make anyone laugh. We both shared a passion for cars which, Dennis would always know what to do if I needed help on one. I miss my friend but I know he's looking down on me smiling .. Thanks for always being there Dennis, we miss you.
