“ Graham family, I'm sending caring tghts at the passing of Don. He was a very energetic young man. I hired Don back in the day at Hehr in the Ches. Facility, seeing his abilities prompted me to offer him with two other men the opportunity in Georgia at another upstart factory. Sorry to read that his life and ambitions came to an end so soon in life. May you find consolation in memories of his accomplishments & May he Rest In Peace. Doug Gerding.
