“ *My sweet Easie. How can type out a life time of memories in this little box. I wonder if everyone knew I'm the one who named you Easie because I was too little to say Louise & my grandmother was much too cool & young to be called a grandmother. You were the name & inspiration behind my world wide known photography business, The Rabbits Thicket. You played such a big piece of my life. I could probably sit here all night and type pages about you and Garry. I still have your little voicemails. I'm gonna keep them as long as I can. I'm glad my last memory of seeing you the other day was me poking fun at you about a fox and saying it was a coyote. I am going to miss you forever. I hope you can finally get some rest now and give Garry & Greg a hug for me. I sure do miss my Amelia Bedelia, Mrs. goose.. I love you and I hope you rest in peace, your loving granddaughter, Mandi*
