“ Alton and I worked with Doris at Elberton Mills for years. She was so pleasant to be around. I can't remember exactly why I rode with her a few times to work, but I do remember her and I being in an older model car of hers that had a broken speedometer, the dial spinning around and around! We'd get so many laughs when I'd tell her she better slow down cause we couldn't afford a ticket! She was indeed a very sweet lady! My condolences to you Kenneth and family, on the loss of your Mother. Prayers for comfort and peace during this difficult time. Connie Fleming
