Sorry to hear of Dot's passing. I have some wonderful memories of my high school & college days. Many of those memories come from time spent at the home of Dot. She was always so welcoming to me & many of other youth. Games, rook cards, meals, hair cuts & so many fun times were provided by Dot and her daughters. She did a tremendous job of raising two daughters who she was so proud of. Thanks Dot! Comfort to Rita & Danita & their families.

*Dear Rita and Danita,
There are no words that can truly describe what Dot and both of you mean to me. Dot was my second mom. Her love for me and all your friends and all your family was so evident. Those evenings when we would all gather at your house are such wonderful memories. There was only one time that I ever saw Dot get aggravated and that was when I won the backgammon games! We both enjoyed Monday Night football and she would sometimes get riled up at them. She was a lady who loved her Lord Jesus and I know she's at His feet today worshipping Jesus with all the saints!
Thank you for sharing Dot with me. She holds a very special place in my heart♥♥ as do both of you.
I love you dearly♥♥
Praying that God fills your hearts with the sweetest memories everyday.*
