“ *I use to push Keifer around the track at recess time at Carnesville Elementary School. I remember that he use to laugh when I would push faster and, would get so mad when I would slow down. I also use to read to him so he could fit in with our classmates and be able to take AR tests on the books I would read to him. I'm very sorry for your loss and this family will be in my prayers.*

“ *I have know Keifer for many years. I always remember his beautiful smile and pretty eyelashes. His laughter every time I would tell him that I went to school with his mama. He would laugh even more when I told he we were not old chicks. Keifers life was filled with love. His parents are to be commended on their dedication of his well being. This young man may not have been able to do all that we know he is doing in heaven now, but he did leave a mark on everyone's heart that he came in contact with. Pat, Keith and all his loved ones will miss him a lot. Just know I think of how blessed we all are to have know him.*
