First I just wanted to say I'm so sorry to hear the news of Stevie passing. He was a great man.

Losing someone you that you love is never easy. They also say time heals but that's only half true. You'll always carry that person in your heart, the memories will never fade.

Stevie was a very good man. From the first time I met him I knew we'd get along just fine and I always held the utmost respect for him. I don't ever remember there being dull moments around him, especially with his sense of humor.

*I pray the family finds all the guidance and peace expected during this time—while also allowing themselves to grieve.
Praying for y'all.*

*Sincerely,
Dustin Neal*
