“ Eddie was my uncle and a very funny person, you could always expect some kind of random quirk to come from him. He was my mama's brother and became a very good friend of my father. I remember alot of funny stories and things that my father told me what Eddie would say. There was never a dull moment around him and he didn't want it that way. Eddie Boleman was a great uncle and a man that holds a part of my heart, I love you, Eddie.
