“ I so loved Miss Loretta and her stories about life and the love she had for her family. She would always tell me about all her pictures she had, keeping her grass cut, camping and putting puzzles together. She was one of the hardest working ladies I had ever met. Miss Loretta could always make me laugh.

My mother, Mary Joy Whitworth, suffers from dementia and Alzheimer's. Ms Loretta took mom under her wing and cared for her like a part of her own family. I will never forget how kind and helpful Ms Loretta was to my mother. It was an amazing thing to watch. Such a thoughtful and patient lady and I'm sure will be missed by everyone who knew her.
