“ So sad to hear of the passing of this sweet and very special Classmate. He was so kind to everyone. Class of 1959. He and Jenny attended many of our class reunions. He will surely be missed but is in the presence of the Lord. No more suffering. My deepest condolences to Jenny and all the family.

“ Praying for the family, as they celebrate Eddie home. I knew Eddie and Jenny from the PH Church in Winston-Salem, N. C. I sung in the choir with Eddie. Jenny, Carole Dillard and I sung in a trio, until Jenny and Eddie with off to College, yes we all go back a few years. Now Eddie is resting in the arms of Jesus. It won't be long till Jesus will be calling all of his children home, because Jesus will be coming soon. The whole family will be in our prayers.

Mr. Tuttle was one of the best men I have ever known. He tried his best to help my brother Jimmy and he made it possible for me to become an LPN. He said I reminded him of his sister. He said everyone was wired differently and learn to accept and embrace it. I'm sure his crown is full. Prayers for the family. Thank God for putting such a great man in my family's lives 💜

“ I had the privilege of fishing along side Mr. Ed and my Granddaddy James several times, as did my older brother. Anytime I would see him he asked me "How's my fishing buddy doing?" He and my grandfather were kindred spirits with a love for adventure, family, and their Lord. My heart hurts knowing they are now both gone, and altogether rejoices all the same, knowing these two friends are reunited. Their fishing excursions continue around that great glassy sea, with the Fisher of Men at their side. The Sorrow and Beatty Families send love and prayers to the Tuttle and Collins families. -

Our association with the Tuttle family crosses almost forty years. This includes Eddie's family and Don's Singing Tuttles and Collins. What a rich heritage and lasting memories. Celebrate Heaven, dear one.

Ed and I first met in early 1970's at the then Alto Industrial Institute for youthful offenders in Alto Georgia. From the time I met Ed, we became instant friends. He was a quiet, yet strong advocate for those young boys, trying to get them headed onto a better path for themselves as they left prison. And he did. I also had the pleasure of meeting his family, whom were just as kind. He always greeted me as "brother Larry", and it brought an instant feeling of closeness and a bond. We vastly appreciated each other and our work together. He had a tremendous love for The Lord, and we had opportunity to share on many occasions. I was touched by his sincere concern for me and for being a witness for his Lord. He loved people, and was someone you could always trust and count on for support. He never wavered. Ironically, just this past week, he crossed my mind, I will forever remember my true friend and "brother"!

“ Ed and I were colleagues with Rehab Services. Ed became an instant friend when I began work with Rehab Services in Dec of 1981. And the major reason why we became friends was when we quickly discovered that we were brothers in Christ. We thoroughly enjoyed talking Scripture, church, the Gospel and also sharing yogurt at the Mall during our lunch break. Ed was a godly man. He was my friend and he will be missed. I rejoice in knowing Ed is in the presence of His Lord whom he loved. He leaves quite a legacy.

“ A truly gentle man is the first description that comes to mind about Mr. Tuttle. During the 30 plus years that we have known him, we never heard him speak a bad or discouraging word. Kindness and warmness towards us were always his hallmark. Don has many fond memories of fishing with him on the annual men's fishing trips. What a legacy of unwavering Christian faith and leadership he has left to his entire family. His life has had an impact that will last generations. Our love and prayers go out to each of them.
