

Mr. Ellis Nelson Nash Jr.

May 3, 1956 - April 22, 2026

The passing of Ellis Nelson Nash, 69, of Danielsville, will leave some voids in our life. Born on May 3, 1956, Nelson passed away on April 22, 2026, quietly at his home, after a long battle with cancer. He fought a good fight and was one of the strongest people. He was a good husband, father, and friend to so many of you. He loved everyone that was close to him, and he loved his family, especially his granddaughters.

Nelson was always a hard worker. His work ethic was very strong, and it ran 24/7. He was a cattle farmer for many years and worked for Russell Research in Athens. In these later years, he worked with his privately owned construction company, Nash Construction, in conjunction with Nash HVAC.

Every fall when the Georgia Dawgs came out with their season, he was right there with them in spirit. He was an avid Georgia Bulldog fan and many of you came to support the Dawgs with him, no matter how much they won or lost. He could definitely get people to rally.

Nelson was also a member of Shiloh Baptist Church and carried his spirituality in his heart. He loved his God and spread opportunities to others who were less fortunate. Some of those were anonymous donations, groceries, whatever family in need could use. Many of you did not know that he did that, and that was how he wanted it.

Following Nelson's wishes, there will not be a formal funeral service. Only his immediate family for a private gathering and spreading of his ashes around his farm that he loved so well. So please do not be offended by his request. He loved life but could also be very private. Therefore, with a very heavy heart, the family asks that you continue to pray for them as they take a new and unfamiliar road of grief. He will always be in the hearts and minds of everyone who loved him.

Nelson is survived by his wife of 48 years, Kerry Cannon Nash; (son) Adam Nash (Lucy); daughter, Lindsey Nash Byrd (Justin); grandchildren, Emmerson Nash, Charlee Ann Byrd, and Reagan Nash; sister, Elaine Belfield. Family members who have preceded Nelson in death are his parents, Faye, and Ellis Nash; sister, Teresa Nash Spratlin; and grandmother, Ruth Adams Fortson.

In lieu of flowers, donations may be made to The American Cancer Society, Esophageal Cancer Foundation. [HTTPS://donate.cancer.org](https://donate.cancer.org).

The family would like to thank everyone who has sent food, made visits, called or acknowledged Nelson and our family in some way. He was touched and thankful for his life, family, and friends.

Thank you for your continued prayers.

Pruitt Funeral Home in Royston, GA is in charge of arrangements.

“ *Uncle Nelson was a precious soul whom I will miss so very much. I will cherish every UGA football game I watched with him, every instant he made me laugh during those games. I will treasure all of those texts- that I am so happy I saved, which included everything from recipes, to pictures of Thanksgiving turkey to TicToc reels that would make me both laugh and cry. I will miss those birthday calls and those calls when I just needed a little advice. I will miss all those good meals he cooked- especially that catfish- no one makes it better. Most of all, I will miss knowing that my Unc is right up the road. He wore so many hats and touched so many people. I was very fortunate to be even a small part of his large world. I know there is a BIG celebration in Heaven. Rest In Peace Uncle Nelly. I will love you always.*

“ Nelson was my best friend, and I am going to miss him. He could fix or build anything; he was so talented and always willing to help many people. I will miss working with him and those phone calls where he'd say, "I am cooking; ride over and fix a plate." He loved cooking for people and enjoyed fellowship with his friends so much. It won't be the same on those Georgia football Saturdays. Teresa and I are praying for the whole family.

Kerry, just a word to let you know that I am thinking and praying for you and your family. I come to know, Nelson when he worked at Russell research center. I called on he and his father for many projects and they always responded with that humble demeanor that he possessed I consider it a privilege to have been associated with him through the years. He will be missed by the many people that depended on him to design build, fabricate and construct many projects. May God bless and strengthen you and your family.

Nelson Nash was a great friend. A very knowledgeable and expert craftsman. I was privileged to know him as both. I worked with his dad and meet Nelson on the Madison County Little League baseball field. We were fierce competitors and loved teaching the game to our sons. Especially to each other. It was a honor and privilege to share our life and goals together. Rest high on that mountain. So long until we meet again my true friend. Our condolences to the family and friends of this legendary man. The Don Tadlock family of Madison County Georgia
