“ *Aunt Faye, will you please tell on everybody to my daddy? Lol Oh goodness. That's all I can think about in a positive happy way of this. I know you have other ppl who greeted you home. I just know that thru you, I still had a part of him with me. God collected another piece of my heart when you gained your wings. I know you are happy and pain free. The day I join you, I'll get to put the pieces of my heart together again. I love you aunt Faye. Truly. Love your niece Michelle*
