Frank was a man beyond good measure while on earth. Now in heaven he is man beyond earthly measure. While we miss him he is praising the Lord and his joy is unmeasurable. Frank I will see you again shortly.....

“ *Very sad. Frank Owens, unit 122, fellow former police officer, mentor, friend, fellow martial artist, and the funniest guy I have ever known has passed. He had liver cancer and developed a really bad infection and went into shock and organ failure.*

Rest in Peace my friend, you will be missed.
