“ So many of my sisters' teenage memories include Gary and Lynn. I was sent to tag along as the "little sister" and chaperone. Gary always included me in whatever they were doing, would sit and talk to me and ALWAYS make me laugh. He went out of his way to make me feel like part of the group and not a "little pest". So much of his beautiful work stands as a memory and tribute to him. Love to the entire family!

“ Gary did many tile jobs at our home, and we could always count on him to do it right and give us a great price. Over the years he became a good friend and someone we enjoyed so much. He loved his family and adored his Mama! Such a great man. He certainly will be missed. Our thoughts and prayers are with his family, friends and all who loved Gary.

“ Gary was at our home a while back to speak with us about completing a rock/stone job. We remember Gary as a loving, kindhearted, conscientious young man. He is missed already; however, he lives in fond memories, in our hearts. John and Mary Clark
