“ To the Ray family , please accept my sincere condolences and heart felt love for such a precious lady! I had Mrs Ray on my heart for some time and I just read that she has passed on. I use to attend church with her and how I use to love to hear her pray!! I will never forget my mother, Mae Frady ,who went to be with the Lord in Dec of 2017, telling of how Mrs Ray took her by the hand in one of the church services and told my mother that she wanted to pray for her to be healed due to the severe pain my mother endured for over a year. My mother said they went to the alter and she prayed over her for the pain to leave and for her healing. My mother was healed that very night of the horrible pain she had battled for so long! My mother’s faith grew stronger in the Lord ,and even I was amazed at such faith that Geneva had-and because the both of them believed God could do it , my mother was healed instantly! Hallelujah! Mrs Ray truly was a lady of prayer and I recall asking her to pray for someone very dear to my heart and she did- not just once but a good year went by and she came up to me in church and said, “I’m still praying for the person you ask me to pray for.” I was so amazed and touched that the burden that I was carrying she bore it with me through prayer continually!! That’s the heart of God that dwelt within her in action as a believer! We need more people to set such Godly examples like Mrs Ray did! I thank God for her obedience in doing what God called her to do. Because of her faithfulness there will always be those special memories that I will never forget! She was such a beautiful soul, and I can only imagine what glory she now beholds as she’s finally witnessed the Christ she served here upon this earth! What a glorious reunion she is having! I will always thank my God upon every remembrance of her! (Phil 1:3). It’s our time to hold up the banner high and run the race set before us (like the example she laid out for us by the life she lived) as we press on toward the mark for the prize of the high calling of God in Christ Jesus! (Phil 3:13,14). May God bless .

In Christ’s Love,

“ *What a blessing this lady was, to everyone that every met her. She always made you feel God threw her. She was a very special Sunday school teacher. My mother (with cancer, and very week) would go to church just to hear her teach and then leave. Really this is a great loss to this world, But she deserves to be happy, like she was asking for these last few days. I loved her so much and called her my earthly mama when my mother passed. They were real close also.*

Love and precious memories to this loving family. She always bragged on how good Mark and Anita took care of her, and loved them sooo much.
