“ Please accept my sympathy and prayers for your comfort at this time. I knew Mrs. Gladys when I was a college student at EC in the 80s, and then as a co-worker at Royston Elementary for several years. She was a sweet, kind, and gracious lady who I always enjoyed talking with. I know she will be missed by her family and friends.

“ Coach Ganey, you don't remember me; I went to EC in '86 and graduated in '88, so that's a long time ago, but I remember you and Nancy very well. I am saddened to hear of the death of Mrs. Ganey. I've been praying for you, and especially for Nancy. I buried my mother a month ago today and the grief is still very fresh. Please know I will continue to pray for you all. I hope you will find consolation and joy in knowing you will see her again.

“ Gladys was a special person. She was always there for you if you needed someone to talk with. Her smile would light up the room. She cared for her friends and neighbors as well as her family. She made this world a better place. I shall miss the times we visited by phone . Her support was a blessing beyond words. .She rejoiced with me as I shared the joys in my life. We always had fun together when we visited the east coast, going shopping, swapping recipes, craft patterns, sewing, and sharing our love for flowers. Our family was truly blessed when she married my brother. Gladys will be missed but will live in my memories.
